Manlius Library Board Meeting
Minutes
March 22, 2018

President’s Report (Karen Steinberg):
• January 25, 2018 Minutes: The minutes were reviewed by board members prior to the meeting. There being no additions or corrections, Mr. Bottoni made a motion to accept the minutes as written. Mr. Collins seconded, and the vote for approval was unanimous.
• Ms. Steinberg will be reviewing the various board committees and requesting those trustees with the appropriate expertise to become members as needed to fill any open positions.
Treasurer’s Report (Kerstin Spina for Bruce Ruppert):

- **February 2018 Financials**: Board members reviewed the report prior to the meeting. Ms. Spina noted the following:
  1. A new format of the treasurer’s report has been prepared for better understanding of the financial data. Mr. Ruppert’s remarks can be found in the Notes section at the bottom of each page. Ms. Oakleaf felt this revision to the report would be helpful for all trustees.
  2. Total Income is under slightly due to timing of donations and book sales. Utility expenses were high due to weather; however, will even out over the year. The technology overages are due to timing of purchases. Net Ordinary Income is ahead of plan, as well as Net Other Income for the Café. Overall, there are no concerns at this time.

  Mr. Schlote questioned how books are priced for the book sales. Ms. Steinberg explained that the main objective of the book sales is to reduce the tremendous volume of donated books.

  Mr. Schlote made a motion to approve the February Treasurer’s Report. Seconded by Mr. Russell, all approved and the motion passed.

Director’s Report (prepared by Director Milligan and presented by Ms. Spina):

- Board members were sent the Director’s Report in advance of the meeting. Ms. Spina noted the following:
  1. While circulation is down, library attendance is increasing along with the wide use of technology. Use of the downloadable items continues to increase.
  2. Events and event attendance decreased due to a month without a children’s librarian.
  3. Weather and illness have been challenging for both staffing and library usage.
  4. All the security upgrades have now been completed. The staff has been trained regarding panic buttons and the lockdown system. Ms. Steinberg asked for a review of the various security systems. Ms. Spina provided an overview with examples of how each enhances the security of staff and patrons. Mr. Bottoni questioned whether the panic buttons are location sensitive. Ms. Spina felt they would alert emergency personnel to the building, not an exact location within the library. This will be confirmed for the board at the next meeting.
  5. The Pooh Corner project is on target with construction scheduled to take place in April.
  6. Alyssa Tassone was hired as a Children’s Librarian and started in February. She is quickly coming up to speed while focusing on planning a variety of children’s programs. In collaboration with Lorie Finger, our summer reading program is well underway.
  7. The annual report to the public was prepared and included in the March/April newsletter.
  8. Collaboration and Outreach within the community continues as the committee meets monthly to review efforts in reaching the public. The AARP tax appointments are completely booked with on-going waiting lists should there be cancellations.
  9. Our wide range of programming such as Great Decisions, Teen coloring, STEAM Powered afternoons and story times continue as popular favorites.
  10. We’re offering new book and language clubs, “hot topic” workshops, along with Kanopy, a new streaming service.

Old Business:

- Ms. Kutzer gave an overview of the Patricia Infantine Scholarship and is in receipt of this year’s applications. She noted there are some impressive applicants to be considered. Once applications have been reviewed and winner selected the board will be notified. The scholarship presentation will take place after the May 24th, 2018 trustee meeting. After discussion regarding the continuance of a library based scholarship it was decided that the committee will meet and present options for new scholarship opportunities.

New Business: None

There being no further business, Mr. Bottoni moved to adjourn and Ms. Chmielewicz seconded. All approved, and President Steinberg adjourned the meeting at 6:57 p.m.

Respectfully submitted,
Kerstin Spina
Business Manager
