TECHNOLOGY

Drop In Tech Time

Every Monday from 5 to 8:30 pm, drop by the reference desk to get help on anything tech-related with Emily. No question is too big or too small. First come, first served.

One-on-one Tech Help

Make an appointment for help on any tech subject. Check our online calendar or call for availability.

iPad Roundtable

Review one topic as a group. Each person may also bring one question on any other iPad topic.

-  Friday, May 13 • 2 pm • Email
-  Friday, March 27 • 2 pm • Pages
* Please have Pages already installed on your iPad.
-  Friday, June 10 • 2 pm • Safari
-  Friday, June 24 • 2 pm • Camera

Tuesday Night Tech: Snapchat 101

Tuesday, May 10 • 7 pm

Join us for a fun, new tech tutorial series: TNT! Learn the ins and outs of the infamous Snapchat. Snapchat is an app that requires a tablet or smartphone. Come with the app downloaded or watch and see how it's done. We'll be using an iOS device (though Android users are welcome).

TNT: Photo Management for iOS

Tuesday, May 31 • 7 pm

Don't let your thousands of pictures bog you down. We'll discuss everything from moving your phone or tablet pictures to a computer to ways to display and enjoy your lasting memories. This session will focus on Apple devices.

TNT: Photo Management for Android

Tuesday, June 21 • 7 pm

In this session, we'll focus on ways to handle your pictures on Android devices, from moving to viewing and more.

Check our online calendar to register for programs with the  icon, to read more, and to see other recurring events like ESOL and writing groups.

A LETTER FROM JEN

Spring is a time of transition, the trees are beginning to bud, the grass is greening, and our days are warming. There is a stirring in the air, and in neighborhoods, as children come outside to run and play while we start working in our yards and planting our gardens. We look forward to long days with the sun on our face, the grass between our toes, ice cream and campfires, trips to the beach, tall glasses of lemonade.

Spring is also a time of transition for the library. We will be closed the first week of May to replace our carpeting, but don't worry! We will be open for a couple of hours each day so you can pick up your holds. We do appreciate your patience and understanding as we work to make our library better for all of us.

We are also looking forward to summer, to offering new programs and services for the community while we continue to enhance the summer reading program that is so beloved. We're joining with the Fayetteville Free Library this summer on an Adult Summer Reading Program and the launch of the Fayetteville-Manlius Readers Facebook group. Join the group, let us know what you're reading, and see what books the staff of FFL and Manlius Library are excited about!

Fun, hands-on explorations of Science, Technology, Engineering and Math subjects. Ages 11+
Register for each class: 7/5, 7/12, 7/19, 7/26, 8/2, 8/9

Registration

Registration is absolutely required for all summer activities except LEGO Free Play, Minecraft Mania, and Movie Matinees.

Registration is indicated with the  icon, which can be seen on our online calendar at manliuslibrary.org for those classes with registration open. Sign up each child individually.

Children under the age of 8 must be accompanied by a responsible adult in the library at all times.

No-Show Policy

Classes are limited. There is a high demand for all classes with long waiting lists. Please sign up for only those you know you can attend. If, after registration, you find you are unable to attend on a specific date, please call the library at 682-6400 or email kgerbig@manliuslibrary.org to cancel. 24 hour notice is required for cancellations.

If you register for and miss 2 or more classes without the required cancellation notice, you will be withdrawn from all other summer classes for which you have registered.
