Manlius, What's Your Story?

We're building a local history digital collection and need your help! During the month of August, drop off up to 12 personal photos and tell us what you know of the who, what, and when. We'll scan the pictures at high resolution and upload them to our collection. Pick up your pictures in September along with the digitized scans of your photos on a CD, and help us create an online history of Manlius and its people.

Adult Summer Reading Program

Through Labor Day, pick up a frequent reader punch card at the front desk. No registration needed! For every 10 books you check out (and read, we hope), you'll get a treat from the treasure chest and enter to win a raffle prize. Make this your most literary summer ever!
