Manlius Library was ranked 23rd in the nation among 1,400 similarly sized public libraries! This is a prestigious award based on many facets of our service like circulation, program attendance, and computer use. Although we are honored to be recognized nationally, this only confirms for us the value that our community places in libraries, lifelong learning, and enriching programs and services. With the continued support of our partners, we anticipate continued growth and excellence in our centennial year. Thank you for your support and for being an integral part of our success.

Kids & Teens

In 2014, the children's section of Manlius Library was abuzz. New book clubs for kids, supporting the reading requirements of the Common Core, were well-attended and had live Skype interviews with big-name authors! We had a fairy tale scavenger hunt and we built with LEGOs and Minecraft.

Over 6,000 attendees came to 153 kids programs in 2014!

Summer Reading 2014: Fizz Boom Read

Manlius Library had the highest numbers of summer reading registration, reporting and program attendance in the county! Months of planning and outreach by our outstanding youth services librarians, Kori and Heather, made this year a huge success.

Summer by the Numbers:

64 programs
 1,900 attendees
 1,190 registered readers
 705 reading goals reached
 20,503 books read
 410,922 minutes of reading

Story Time

11 weekly story times

2,601 babies under 18 months learned social skills, developed language, and had important bonding experiences.

3,251 toddlers under 2 and a half years old shared stories, rhymes, songs, and more, promoting early literacy and language skills.

4,773 preschool-aged kids under 5 years old heard stories, made crafts, played games, and were prepared to face the challenges of school.

975 kids attended afterschool and evening story times.

Miss Karen visited 564 students at F-M Schools.
