*For 100 years Manlius Library has served as a center for building community, enriching lives, and inspiring ideas. In 2015, as we celebrated our centennial year, we recognized that we were also celebrating a century of community support.*

*Our centennial year brought a number of exciting changes including the donation of our prestigious Audubon Gallery, the creation of a new Teen and Technology Center, as well as the deployment of new technology, collections and programming.*

*It has been my honor and pleasure to serve as your Library Director during such an exciting and eventful year. None of these things could have been accomplished without the enthusiastic dedication of our patrons, community, staff, and board. When we work together, anything is possible!*

- Jennifer Milligan, Library Director
