

## Welcome to Jr. Detectives!

Each week of our series we will think and act like detectives:

- Imagine you are a detective! Get your notebook and pencil ready!
- View a motivational spotlight to learn more about the job of a detective
- Look at our clues for the week
- Investigate and search-this can be done via books, newspapers or articles online or in person with a grown up as the clues will lead to somewhere in the community. (or explore in person after you think you've solved it!)
- Do a Just for Fun! activity
- Share with Miss Windy by registering for a Friday Show & Tell session by clicking on our event calendar on July 24th or 31st, August 7th, 14th or 21st at [www.manliuslibrary.org](http://www.manliuslibrary.org)

Imagine you are a detective! Think what a detective does. What skills and actions do they take?

**Motivation Spotlight-** This week's spotlight gives insight on asking the right questions as you solve mysteries. This is not specifically designed to solve this week's clues, but a fun way to see the importance of using questions as a good detective. <https://youtu.be/m-zgsuwshIU>

**Clues-**

1. One story structure made from locally quarried limestone.
2. In 1983, it was listed on the National Register of Historic Places.
3. Located in the hamlet of Mycenae

**Just for Fun Activity-**Create an Invisible Ink mystery. First, write on paper with a white crayon. Brush with watercolor paint to discover what was written. No watercolors? Try a little water mixed with coffee grounds for a brown watercolor substitute.

**Share with Miss Windy!** What is this historic place?
