## From the Executive Director

I would like to thank our patrons for their ongoing support and patience during these unprecedented times. Whether it was a word of encouragement, a thumbs-up through the window, or joining us for our virtual programs, you raised our spirits and helped us stay connected. Your engagement has kept us focused and committed to finding new, innovative ways to serve our community.

We have made numerous changes to our facilities and processes to reduce risk for our patrons and staff, while working to make our collections, programming, and services safely accessible. We have found numerous creative ways to serve our community, adding free printing, increasing virtual programming and collection options, and starting our popular curbside pickup service. Please keep an eye on our website, social media, and be sure to sign up for our eNewsletters. We have great things coming to engage patrons of all ages!

This year has been one of change for all of us, but our commitment to innovative, patron-focused services will never change. We miss you, we thank you, and wish you good health and good reads!

Be well,

Jennifer Milligan, Executive Director

## RBdigital eBooks & eAudiobooks now available in Libby

RBdigital eBooks and eAudiobooks have moved from RBdigital to the Libby app as part of our OverDrive collection.

You will continue to be able to browse, borrow, and enjoy all the same great eBooks and eAudiobooks you loved in the RBdigital app, now available in Libby. No changes will be made to the Libby app, other than that you may notice even more great titles available for you to borrow.

For the time being, you can continue to use the RBdigital app to access eMagazines.
