If you sign up for or use your library card in September, you could win a prize!

September is National Library Card sign-up month! We encourage community members who do not yet have a library card to sign up. As an incentive, one lucky patron who signs up for a new library card in the month of September will be randomly selected to win a DVD set of The Office: The Complete Series. Patrons who already have a library card can win too! All you need to do is fill out and submit a ticket with your name and phone number when you check out in September. Two lucky patrons will be randomly selected to win a \$20 gift certificate to Mrs. Kelder's Cakes!

What do I need to sign up for a library card?

You will need a valid ID as well as proof of your address to get a library card. Stop by the library to fill out an application and pick up your card.

If you are at least 13 years old, you can begin your library card application online. When you register online, you will receive a temporary barcode number that you can use to request materials and access eContent. To receive your permanent library card, visit any branch member of the Onondaga County Public Library system and verify your current address with a picture ID

or two other forms of ID. Once you have your permanent card, you can check out items.

If you are under the age of 13 years old, you will need to fill out your application in person at the front desk. A parent or legal guardian must register for a card with a child under 8, and is responsible for any fines incurred on the child's card.

Voices Magazine Online Archive

Nearly five dozen issues of Fayetteville-Manlius High School's literary magazine Voices are now publicly available online as part of Manlius Library's digital collection.

Voices is an award-winning magazine produced by Fayetteville-Manlius High School students on an annual basis. This magazine has annually showcased the creative talent and writing of students for over six decades.

Manlius Library's digital collection of Voices magazines features most of the issues produced from 1956 to 2018.

The digitized collection of Voices magazines joins Manlius Library's growing digital collection of Fayetteville-Manlius High School yearbooks. Select yearbooks from 1939 - 1945 and 1953 - 1980 are currently accessible online now.

To access these collections, please visit <https://manliuslibrary.org/local-history/>.

Telehealth Meeting Help

Need space, internet access, or a device for your telehealth meeting? We're proud to offer our meeting rooms, free internet access, and laptops to assist patrons with their telehealth needs.

You must have your telehealth meeting set up with your medical professional before setting up a meeting with our library, as we do not schedule telehealth meetings.

Please contact Alex Bastian or Stephanie Langer to set up your telehealth meeting.

Please stop by our front desk before your meeting to be let into your reserved room, and let us know if you need to borrow a laptop. We are happy to assist with setting up your laptop, but will not be able to assist throughout your telehealth meeting due to HIPAA laws.
